CURVO

A photograph of a modern office interior. In the foreground, a person's legs in khaki pants and black shoes are visible on the left. A round wooden table holds a large potted plant with green and yellow leaves and a computer monitor on a black stand. The background is a large window with a wooden frame, looking out onto a lush green landscape. The text "space work ratio" is overlaid on the right side of the image.

Fondée en 1946, **TDS, fabricant** belge de mobilier de bureau, connaît une progression constante de son chiffre d'affaire. De gros investissements ont été consentis pour travailler avec **les outils de production les plus modernes** (robots et machines automatiques pour le travail de la tôle) afin de mettre sur le marché des bureaux performants, résultant de **la stratégie globale de design de TDS**.

1992 : nomination à l'European Community Design Prize

1998 : prix du jury Design & Technologies

Notre objectif : le bien être durable au poste de travail.

TDS, belgisch fabricant, kent sinds de oprichting in 1946 een gestage groei qua omzetcijfer.

Grote investeringen om **de productiemiddelen te moderniseren** (robots en automatische machines voor het verwerken van staalplaat) werden uitgevoerd, dit om nieuwe performante producten op de markt te brengen, samen met **de integratie van design als hulpmiddel** bij de ontwikkeling van de onderneming.

1992 : nominatie European Community Design Prize

1998 : prijs van de Jury Design & Technologies

Ons doel : een duurzaam welzijn op kantoor.

Founded in 1946, **TDS**, a Belgian **manufacturer** of office furniture has experienced a constant progress in its turnover. Major investments have been made in order to work with **the most modern production tools** (robots and automated machines for producing metal office furniture) to offer the market state-of-the-art office furniture, **a result of the overall design strategy** of TDS.

1992 : nomination for the European Community Design Prize

1998 : Design & Technologies Jury Prize

Our goal : sustainable well being at the workstation

TDS, belgischer Büromöbelhersteller wurde 1946 gegründet und konnte seinen Umsatz ständig vergrößern. Hohe Investitionen machten die Anschaffung **der modernsten Produktionsmittel** (Roboter und automatische Maschinen für die Stahlbearbeitung) möglich, um leistungsfähige Büromöbel auf den Markt zu bringen, das Ergebnis **der globalen Designstrategie von TDS**.

1992 : Nominierung für den European Community Design Prize

1998 : Preis der Jury Design & Technologies.

Unser Ziel : Nachhaltiges Wohlbefinden am Arbeitsplatz
